

Trafford's Safeguarding Bulletin

JULY 2026

The top things you need to know this month from Trafford's Safeguarding Children Partnership and Trafford's Safeguarding Adults Board:

1

TSCP Workforce Child Sexual Abuse Strategy Survey

We are inviting all professionals who work with children, young people and families to complete a short survey to help us understand current knowledge, confidence and training needs relating to child sexual abuse. The findings will inform future training, resources and support across the workforce.

Please complete the survey and share it widely within your organisation and professional networks to help ensure we capture a broad range of views and experiences. Your feedback is invaluable in helping us build a confident, skilled and informed workforce.

TSAB Your Voice Network: Turning Experience into Change

Join the TSAB Lived Experience Network

We are looking for people who have experience of health and social care support to join our Trafford Your Voice Network. It is part of the Trafford's Safeguarding Adults Board but we promise you won't be bored. The group will focus on how people keep safe in Trafford, and they will decide the topics they chat about.

Whatever we look at we promise a bucket full of tea and coffee, a chance to meet new folk and to be heard. All you need to bring is a sense of humour and an open mind.

Join us **10am–12pm** on
Thursday 1st October for our
very first meeting.

For more information contact
clare.bardsley@trafford.gov.uk

We look forward to meeting you
and having a chat.

Youth Voice Survey

We're sharing an opportunity to take part in the Year 2 North West Safeguarding Voices Diagnostic and would appreciate your support in circulating this across your partnership. This diagnostic builds on last year's baseline and focuses on:

- How baby, child, young person and family voice is currently embedded
- What has changed over the past year
- How different agencies experience and contribute to this work
- Where partnerships sit on the North-West Voice Maturity Matrix

 **Time commitment: approximately 15–20 minutes**
